

Report on 2012 Activities from Staplehurst WI

2012 consisted of many interesting things; learning how to survive in the woodlands to the whys and wherefores of the Victoria Sponge. For the Queen's Jubilee, made miles of bunting and provided tea, sandwiches, and cakes for what seemed like the whole village. The Olympics followed closely behind and one of our members was a 'Gamesmaker'. As 2012 was our 90th birthday, our annual Garden Party meeting was made special with a beautiful cake and, believe it or not, the sun actually shone! We had a visit to Brogdale; a Bowls day in Hawkhurst; a visit from Sissinghurst's head gardener and, In September, our annual Produce Show which, as usual, was a splendid exhibition of vegetables, flowers and cakes.

Unfortunately, three members passed away during the year and they are greatly missed. We hope that 2013 will see everyone safe and well.
