

STAPLEHURST PARISH COUNCIL NOTES (for December 2014)

Village Update – At the time of writing copies of the winter edition of the Village Update are shortly due to be distributed, so if by the time you read these notes you have not received your copy please contact the Parish Office. Thanks once again go to the volunteers who deliver to addresses throughout the parish. If you would like to help deliver any copies, please contact the Clerk with your details. Digital copies of past Updates are available at http://www.staplehurstvillage.org.uk/village_update.aspx.

Christmas Lights – The Staplehurst Christmas Lights Display 2014 will be installed in early December. The familiar motifs will be displayed along the High Street and Station Road until 6th January 2015. Following the introduction of the LED lights last year we have listened to residents' comments and added some more bulbs to the larger motifs. As the lights use low energy bulbs the extra power used will be minimal. We hope they light up the season for everyone. The Council is grateful for the kind donations that local businesses always make towards the displays and we shall be acknowledging this year's supporters in next month's 'Notes'.

Vegetation – The full and rapid growth of plants, hedges and trees has in some parts of the parish reduced the width of footpaths and visibility on the highway. Property-owners are responsible for maintaining their hedges; failure to do so may generate anything from a polite neighbourly request to a report to Kent County Council (03000 41 81 81 - option 2 - or <http://www.kent.gov.uk/roads-and-travel/report-a-problem>). KCC will give owners a deadline to remedy a situation or as a last resort carry out the work itself and send owners the bill. This is probably preaching to the converted, but to avoid such difficult situations and out of consideration for others please check your boundaries regularly, not just for vegetation but for any other overflow from your property such as loose gravel from paths and drives and rubbish that may have blown from bins.

Elections – In May next year parish council elections will be held. If you are interested in finding out more about what the Parish Council does and perhaps considering whether to stand for election, then please feel free to contact the Parish Office without commitment for an informal chat or simply to ask any specific questions. A good way to learn more is to exercise your right as a member of the public and come along to a council meeting and observe proceedings. Meetings are on the first and third Mondays of each month, normally starting at 7.00pm with the Planning Committee meeting followed by Full Council. Agendas are always published beforehand on the Village Centre noticeboard and on the village website at <http://www.staplehurstvillage.org.uk/agendas.aspx>.

Flooding – To help it plan for the future the Environment Agency <https://www.gov.uk/government/organisations/environment-agency> is still keen to hear about people's experiences of flooding last Christmas and New Year. If

you would like a copy of its questionnaire please pick one up from the Parish Office or contact the office by e-mail to have an electronic version sent to you. The Agency would also like to hear residents' views about the proposed designation of an area around the River Beult from Bethersden and Pluckley to Stilebridge as a specific flood warning area. Further information and a short questionnaire can be obtained by contacting the Parish Office.

Bell Lane Toilets – They are opened and cleaned during the day and locked for the night. To report any non-urgent issues, please call during office hours or leave a message on 01580 891761. If an issue requires immediate attention outside office hours, please telephone 07539 692588.

Surgeries at the Library – Borough Councillor Paulina Watson will be holding a surgery in the library on Saturday 13th December between 9.30 am and 11.30 am. The next Police session at the library will be on the same day between 10.00 am and 11.00 am.

Website – Visit www.staplehurstvillage.org.uk to see Parish Council minutes and publicity material and reports received. Local businesses and village groups may have their own entries on the Trade Directory and Village Life pages of this website free of charge; contact the Parish Office for details. The 'Latest News' and Forum pages provide local information and comment.

Parish Information and E-groups – Copies of the minutes of Parish Council meetings are available at Full Council meetings and on the Parish Council website at http://www.staplehurstvillage.org.uk/minutes_of_the_last_meetings.aspx. Sign up to an e-group to receive direct emails of useful information about local issues e.g. weekly MBC plans list, Parish Council minutes & agendas, press releases. If residents have any queries regarding Parish Council or local authority issues, they are encouraged to contact the Parish Clerk for the facts.

Bogus Caller Advice: If any caller does not have an appointment, then ask them to wait while you check their identity. Do not be afraid to close the door and make them wait. Checking identity can sometimes be difficult and confusing to do. If so, ask them to come back at another time when you can have someone with you. If the caller is genuine they will understand and not mind returning. Some zones are designated as **Cold Calling Control Zones** and are clearly indicated by signs.

Neighbourhood Watch operates a scheme called Nominated Neighbour, which asks a caller to go to a neighbour who will return with them, so you do not have to deal with the caller alone. If you wish to learn any more about this, contact the Neighbourhood Watch Office on 01622 604395. Never give any personal details to a stranger. Remember it is your home and you should not be afraid to ask them to leave. If you are at all concerned about a caller, telephone 101.

Visits can be arranged and telephone advice given – call Angela on 01622 753618.
