

STAPLEHURST PARISH COUNCIL NOTES (for January 2016)

Neighbourhood Plan – At the time of writing we are awaiting confirmation of the appointment of the planning inspector who will examine the plan and the comments made during the Regulation 16 consultation that concluded on 4th December. The inspector will decide whether the plan may proceed to referendum when all electors in the parish will be able to vote on the plan. Further news will appear in future PC Notes and on the village website.

Annual Village Clean-Up – A date for your diary: Saturday 12th March 2016. The Parish Council will be holding a clean-up of the built-up area and invites you to keep the date free and join us in the morning to help make Staplehurst a tidier place. Look out for full details nearer the time.

Village Update – We apologise for the later than expected appearance of the Winter Village Update. This was due to a delay in the early copy stages and nothing to do with the new distribution arrangements for this issue. If you have not received a copy and would like one please contact the Parish Office.

Christmas Lights – The display was installed at the start of December along High Street and Station Road. The Parish Council is grateful for the kind donations from Helen's Coffee House, Radfords Estate Agents, Spuds 'n Buds and W J Crouch Butchers Ltd whose contributions towards the funding costs are much appreciated. Please show your appreciation by supporting Staplehurst's local businesses.

Surgeries at the Library – The next Borough Councillor and Parish Councillor surgery will be on Saturday 30th January between 10.00am and 12.00 noon. The next PCSO surgery will be on Saturday 9th January between 10.00 am and 11.00 am.

Vegetation – Plants, hedges and trees can reduce the width of footpaths and visibility on the highway. Property-owners are responsible for maintaining their hedges; failure to do so may generate anything from a polite neighbourly request to a report to Kent County Council (03000 41 81 81 - option 2 - or <http://www.kent.gov.uk/roads-and-travel/report-a-problem>). KCC will give owners a deadline to remedy a situation or as a last resort carry out the work itself and send owners the bill. To avoid such difficult situations and out of consideration for others please check your boundaries regularly, not just for vegetation but for any other overflow from your property such as loose gravel from paths and drives and rubbish that may have escaped from bins.

Parish Council on-line – Visit www.staplehurstvillage.org.uk to see Parish Council minutes, reports, a calendar of events, plus local information and comment on the 'Latest News' and Forum pages. Consult the Local Directory and Village Groups pages for information about local businesses and organisations; contact the Parish Office to submit a listing. The Parish Council is also on Facebook.

Parish Information and E-groups – Copy minutes of Parish Council meetings are available at Full Council meetings and on the Parish Council website at http://www.staplehurstvillage.org.uk/minutes_of_the_last_meetings.aspx. Sign up to an e-group to receive direct e-mails of useful information about local issues e.g. weekly MBC plans list, Parish Council minutes & agendas, press releases. Contact the Parish Office (details at the end of these notes) for any questions about Parish Council or local authority issues.
