

STAPLEHURST PARISH COUNCIL NOTES (for May 2016)

New Councillor – Publishing deadlines mean these are the first Parish Council Notes to be written since the Council returned to full numerical strength with the co-option of Councillor Patrick (Paddy) Riordan on 21st March. The Parish Council is very pleased to welcome Councillor Riordan to the fold and wishes him well for his term of office.

Neighbourhood Plan – At the time of writing the Neighbourhood Plan Steering Group is expecting the Examiner's report on the Staplehurst Neighbourhood Plan to be issued in the second half of April. The report will contain a recommendation about whether the plan may proceed to referendum when all electors in the parish will be able to vote on the plan. The group is keen for a referendum to be held as soon as possible, but the timeline will be determined by the content of the Examiner's report and the requirement for Maidstone Borough Council to take the necessary formal steps to authorise the referendum. Keep reading PC Notes and the village website for further news. To read the story so far go to http://www.staplehurstvillage.org.uk/neighbourhood_forum1.aspx.

Annual Parish Meeting - The meeting will take place at 8.00pm on Monday 23rd May in the South Hall, Staplehurst Village Centre. The Parish Council hosts this public meeting to provide local electors with a forum for discussion of parish issues and to take reports from councillors and village groups. There is still time to send to the Parish Office written reports (500 words max.) and any issues for discussion, but by 3rd May please. Reports will be included in meeting minutes for historical interest and published on the village website. Verbal reports and questions will be taken at the meeting if time permits. This year's guest speaker will be Lisa Greenhead, Occupational Therapist at Woodland House. Please come along to listen to Lisa talk about the specialist work that Woodland House does with young people and, in the meantime, why not visit the Woodland House website <http://www.slam.nhs.uk/our-services/hospital-care/woodland-house>.

Surgeries at the Library – The Parish Council now holds a surgery every Saturday in the library between 10.00am and 11.00am. Do come along to meet a parish councillor and ask questions about local issues. The next Borough Councillor surgery will be on Saturday 28th May between 10.00am and 12.00 noon. The next PCSO surgery will also be on Saturday 28th May but between 10.00 am and 11.00 am.

Waste Freighter – Maidstone Borough Council is discontinuing the Saturday Freighter Service after 14th May – see its news release at <http://www.maidstone.gov.uk/residents/news/website-news-articles/discontinuation-of-saturday-freighter-service>. Other ways to dispose of household waste include the bulky collection service and the household waste tip at Tovil (see later entry in these notes for details). There are no more visits scheduled for Staplehurst. For information about other locations please check

the Maidstone Borough Council website at <http://www.maidstone.gov.uk/residents/binsandrecycling/saturday-freighter-service>. Garden waste/vegetation is not accepted for disposal by the waste freighter.

Staplehurst Summer Play Scheme – This year's summer play scheme will take place at Staplehurst Primary School, Gybbon Rise, Staplehurst TN12 0LZ. An open morning will be held on Monday 1st August starting at 11.30am. The play scheme programme will then run for three weeks from Tuesday 2nd August until Friday 19th August. In weeks 1 and 3 the scheme will run between 9.00am and 12.00 noon. In week 2 the scheme will run between 9.00am and 3.00pm, with an option for children to attend in the morning or afternoon or both sessions. The scheme will provide 60 places per weekday morning for rising 5's (those starting school in September 2016 provided they have reached 4 years old) to 11 years.

Play Place will be running the scheme again this year, with financial and administrative support from Staplehurst Parish Council. Play Place is a not-for-profit Community Interest Company <http://playplace.org/index.html> and will handle the bookings as well as being your point of contact on a daily basis throughout Playscheme. Details of the programme of activities and how to book will be available in the coming weeks – check the village website at <http://www.staplehurstvillage.org.uk/playscheme.aspx>.

Review of KCC Funded Bus Services - Kent County Council is running a consultation on proposed changes to the subsidies it grants to some bus services. The number 5 bus service between Maidstone and Hawkhurst, which serves Staplehurst, is affected by the proposals which would see evening services diverting via Coxheath to replace the 89 bus service. Full details of the proposals and how to have your say may be viewed on KCC's website at <http://consultations.kent.gov.uk/consult.ti/BusReview/consultationHome> or you can view KCC's media release at <https://kccmediahub.net/4387745>. The consultation will close on 15th May.

Vegetation – Plants, hedges and trees can reduce the width of footpaths and visibility on the highway. Property-owners are responsible for maintaining their hedges; failure to do so may generate anything from a polite neighbourly request to a report to Kent County Council (03000 41 81 81 - option 2 - or <http://www.kent.gov.uk/roads-and-travel/report-a-problem>). KCC will give owners a deadline to remedy a situation or as a last resort carry out the work itself and send owners the bill. To avoid such difficult situations and out of consideration for others please check your boundaries regularly, not just for vegetation but for any other overflow from your property such as loose gravel from paths and drives and rubbish that may have escaped from bins.
