

STAPLEHURST PARISH COUNCIL NOTES (for March 2014)

Village Clean-Up 2014 – This year's big clean-up will take place on Saturday morning 22nd March 2014 from 10.00am. As in previous years the operation will be focused on picking litter alongside the roads in the built-up area of the village. Please come to the Youth Club which will again be the operation's HQ by kind permission of the Youth Club Committee. You will be given an allocated road and all the necessary equipment and safety guidance plus refreshments after your efforts. All are welcome but we ask that youngsters are accompanied by adults. If any organised youth groups wish to join in please contact the Parish Office beforehand to discuss your plans.

Spring Village Update – The latest Village Update will by now have been distributed to addresses throughout the parish. Digital copies of all Updates are available at http://www.staplehurstvillage.org.uk/village_update.aspx. Delivery is undertaken by volunteers whose assistance is much appreciated. If you would like to help deliver future Updates, please contact the Clerk with your details.

Staplehurst Neighbourhood Plan – The latest consultation event on the development of a Neighbourhood Plan for Staplehurst was held at the end of January and start of February. Hundreds of people attended and at the time of writing questionnaires are still being completed on-line and being delivered to the Parish Office. The Parish Council would like to thank the Village Centre, Sobell Lodge and the WI for their help in making the latest event such a success. Further events are being planned in March, May and July, which will be even more important in the light of MBC's proposals for housing allocations in the borough. Over the coming weeks please look out for details of these events on village noticeboards and on the village website at http://www.staplehurstvillage.org.uk/future_of_staplehurst.aspx.

Annual Parish Meeting – This year's meeting will be held on Monday 12th May at 8.00 pm in the Village Centre South Hall. Bell Lane Toilets – They are opened daily and cleaned from 7.30 a.m. and locked for the night at 7.30 p.m. The Council wishes to do all it can to keep vandalism repair costs to a minimum and would be grateful if residents could report any damage, misuse or potential vandalism problems. Bogus Caller Advice: If any caller does not have an appointment, then ask them to wait while you check their identity. Do not be afraid to close the door and make them wait. Checking identity can sometimes be difficult and confusing to do. If so, ask them to come back at another time when you can have someone with you. If the caller is genuine they will understand and not mind returning. The local policing team in partnership with Trading Standards has introduced a **Cold Calling Control Zone** for Staplehurst. These zones are clearly indicated by signs.

Neighbourhood Watch operates a scheme called Nominated Neighbour, which asks the caller to go to a neighbour who will return with them, so you do not have to deal with this alone. If you wish to learn any more about this, contact the Neighbourhood Watch Office on 01622 604395. Never give any personal details to a stranger. Remember it is your home and you should not be afraid to ask them to leave. If you are at all concerned about a caller, telephone 101.

Age UK Maidstone: Maidstone Age UK provides information and advice to support older people, their relatives and carers. Visits can be arranged and telephone advice given – call Angela on 01622 753618. It also provides an advocacy service to become the voice of those unable to handle matters on their own – call Aileen on 01622 753618. There is a drop-in service on the first Tuesday of every month at the McCabe Centre from 10.00 am until 1.00 pm.

Brighter Futures – Voluntary Action Maidstone's Brighter Futures project is designed specifically for the over 65s and focuses on health and wellbeing. It organises activities such as exercise classes, day trips, shopping trips and a befriending service.
