Bogus Caller Advice: If any caller does not have an appointment, then ask them to wait while you check their identity. Do not be afraid to close the door and make them wait. Checking identity can sometimes be difficult and confusing to do. If so, ask them to come back at another time when you can have someone with you. If the caller is genuine they will understand and not mind returning. Some zones are designated as **Cold Calling Control Zones** and are clearly indicated by signs.

Neighbourhood Watch operates a scheme called Nominated Neighbour, which asks a caller to go to a neighbour who will return with them, so you do not have to deal with the caller alone. If you wish to learn any more about this, contact the Neighbourhood Watch Office on 01622 604395. Never give any personal details to a stranger. Remember it is your home and you should not be afraid to ask them to leave. If you are at all concerned about a caller, telephone 101.
